

Refrigerator & Freezer Recycling Program Rebate Application

Recycle your refrigerator and/or freezer and receive a \$40 rebate! All appliances must be functional and at least 10 cubic feet in size. Appliance(s) must be emptied and moved to your regular garbage pick-up area *only on the scheduled collection date*. Refrigerators and freezers will be decommissioned and the components recycled. **Call Canby Disposal Co. at 503-266-3900 to schedule your pick-up.**

Your local provider, Canby Disposal Co., has partnered with Canby Utility (CU) to implement an energy-saving refrigerator and freezer recycling program. To participate, you must sign this form agreeing to all of the terms and conditions below.

I certify that I am a customer of CU and that I am the owner (or represent the owner) of the appliance(s) serviced with this form and that the appliance(s) are free of liens, security interests, or any other encumbrances. I certify that each unit is operable and capable of cooling. I transfer ownership of the appliance(s) and all waste stream attributes to Canby Disposal Co. in exchange for a \$40 incentive payment for each appliance, to be provided by CU.

I further certify by signing this form that I release Canby Disposal Co. and CU and its respective employees, agents, and any subcontractor from any and all claims from the removal of the appliance(s) from the site address.
